

## 97 28" CROSSBOX PARALLETES : MSRP: 99.9900

### DESCRIPTION

Build upper body strength especially arms, shoulder, chest and upper back muscles; develop phenomenal strength through bodyweight exercising. These are often referred to as Parallettes by gymnasts and used to simulate parallel bars. Crossbox Parallettes/Pushup Bars can be used for a variety of exercises such as L-sits, V-sits, handstand (presses and push-ups), dips, and standard push-ups to name but a few.

The Northern Lights 28" Crossbox Parallettes/Pushup Bars are built strong from 14 gauge steel, and made to last.
