

97 72" CROSS BOX SQUAT STAND: MSRP: 449.9900

DESCRIPTION

With a height of 72" and a 48" (4') x 48" (4') footprint, the Northern 72" Cross Box Squat Stand a perfect blend of a quality and space-efficient unit. The rugged 2"x3" 11-gauge steel uprights will provide you with a sturdy and functional set-up that allows you to progressively increase your strength and power training by giving you a solid work station. They feature 1" hole spacing through the bench and clean pull zone, then 2" spacing.

The 72" height gives you ample space for your workout routine under an 8-foot ceiling, while a compact footprint of just 48" x 48" you with plenty of room for gym additions and customization. Designed with space in mind, these stands allow users to perform squat exercises even when space is limited!
