

97 MULTI LADDER CHIN UP BAR - YELLOW, 43": MSRP: 79.9900

DESCRIPTION

The Northern Lights Multi Grip Chin Up Bar is an excellent addition to any power rack. It offers a variety of high-intensity training exercises with multiple gripping angles. This unit features a 1.25" diameter bar that is sure to challenge and improve grip strength. It also features 8" center bar spacing and comes in at 14" wide. It is finished with a yellow powder coat and crafted from heavy gauge steel. This Multi Grip add-on can be mounted across the top of the Northern Lights or Iron factory Power Rack as well as used with our Beam Multi Kit. Mounting hardware is included.

Knurled markings along the handles provide you with exceptional grip
